AWS Cloud Lab Solution

Designed Cloud Lab solutions for Education Sector.

PROFESSIONAL EXPERIENCE

CLOUD SALES EXECUTIVE- Intern

Vintech Electronic Systems Pvt Ltd | 2023, Apr-Sep

- Worked on many products which are used in building IT-Infrastructure.
- Updated and managed accurate CRM records.
- Employed strategic customization for effective sales strategies.
- Consistently achieved or exceeded quarterly and annual targets. Diligently updated and maintained CRM records for comprehensive tracking of sales activities, opportunities, and customer information. My strategic customization approach contributed to effective and successful sales strategies in a dynamic market.

Cloud Computing Intern

Brainwave Matrix Solutions | 2024, Sep-Nov

- Gained hands-on experience with AWS and GCP.
- Deployed a responsive web application on AWS using EC2, S3 and GCP using cloud storage for hosting and caching, achieving a 40% faster page load time for global users.
